

# Northeast Integrated Health

*Behavioral, Emotional & Physical Well-Being*

## Adult Services

Adult Services coordinates care for adults ages 18 and older diagnosed with a serious mental illness (SMI), many with co-occurring substance use disorders, and helps them maintain stability in the community, foster independence, and maximize individual potential.

Adults may receive services if they have a diagnosable mental, behavioral, or emotional disorder of sufficient duration (currently or at any time during the past year) and have varying degrees and durations of impairment in several areas. These areas include family relationships, interpersonal relations, maintaining employment, conducting daily living chores, maintaining basic needs such as hygiene and preparing food, and/or involvement in the criminal justice system.

- **AFC Residential/Case Management** Services persons in dependent living situations
- **Assertive Community Treatment** Services for adults with co-occurring disorders and a history of noncompliance & hospitalizations (24-hour crisis access to staff)
- **Community & Police Partnership Advocacy (CAPPA)** Jail diversion collaboration for individuals in the law enforcement system, including outreach & police training
- **Community Outreach for Psychiatric Emergencies (C.O.P.E.)** Provides 24-hour community-based services for adults in psychiatric crisis - 844.296.COPE
- **Co-occurring Mental & Substance Abuse Disorders Therapy**
- **Dialectical Behavior Therapy (DBT)**
- **Hospital Liaison Services** Includes discharge planning for adults hospitalized with a psychiatric crisis
- **Integrated Healthcare** Coordinated care with primary care physicians that supports total wellness
- **Mental Health First Aid Training** Certification course which teaches participants to assess a situation, select and implement interventions and secure appropriate care for the individual

*Services continued on other side*
